This is to inform you that we have changed our name effective October 1, 2008. The intent to change names was already disclosed in a release entitled "Change of Name" dated August 29, 2008.

Details

1. Name change

It was proposed at the 14th Ordinary General Meeting of Shareholders on September 30, 2008 to change the name of the company from "The Goodwill Group, Inc." to "RADIA HOLDINGS, INC.," and this proposal was approved.

We are currently in the process of a sweeping review of the company's business structure, seeking to further strengthen and expand our core businesses of domestic engineer referrals and international services so as to rebuild the base of operations and facilitate stable medium and long-term growth. We are also pleased to have appointed as representative director and chairman Mr. Charles J. Abadie, who brings with him a wealth of experience in rebuilding a human resource referrals company in the United States. Under his leadership, we will continue to work to establish a solid position for the company as a global player in the global human resources services market and to enhance of our business organizations and systems so that they are able to produce consistently high returns.

It is within the context of this significant transition that the company has turned a new page as "RADIA HOLDINGS, INC." beginning October 1.

The entire group staff, executives and employees alike, are committed to working together to achieve further growth and expansion and to improve our corporate value.

We look forward to the continuing support of our shareholders and all stakeholders.
